Education

Web Development

Masai School
October 2024 - March 2025

Bachelor of Science (Mathematics)

University of Rajasthan
August 2018 - October 2022

Technical Skills

- React
- Redux
- ChakraUI
- Firebase
- JavaScript
- CSS3
- HTML5

Soft Skills

- Problem Solving
- Teamwork
- Time Management
- Adaptability

Achievements

- Certificate of Internship ↗
Ai Variant
- Data Science ↗
ExcelR Solutions

Priya Pareek

Frontend Developer(React)

Professional Summary

Dynamic and detail-oriented front-end developer skilled in building responsive user interfaces using HTML, CSS, JavaScript, and React. Proficient in state management with Redux and experienced in creating modern, interactive designs using Chakra UI. Adept at implementing real-time data management and authentication using Firebase. Strong knowledge of the DOM and experienced with Git for version control. A quick learner committed to delivering clean, efficient, and user-friendly applications.

Projects

StoryWeave [Live Demo Link](#) [Github Repo Link](#)

React Redux Chakra UI Firebase

- Developed a collaborative short story platform using React and Redux, providing users with a seamless experience for creating and contributing to stories.
- Implemented real-time story updates and secure authentication using Firebase, ensuring data integrity and user privacy.
- Designed a responsive and interactive interface with Chakra UI, optimizing the platform for various devices and browsers.
- Managed application state efficiently with Redux, enhancing user experience through smooth navigation and interaction.

BugBerry - E-Commerce

Web Application
